RE: Dominion Energy South Carolina, Incorporated's Establishment of a Solar Choice
Metering Tariff Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No.
2019-182-E)
Docket No. 2020-229-E

Dear Ms. Boyd:

Regarding the Motion of Vote Solar to Require Additional Notice and Establish a Public Participation Hearing, should the Commission grant Vote Solar's Motion, the South Carolina Office of Regulatory Staff ("ORS") respectfully requests that *all* customers of Dominion Energy South Carolina receive the notice and be included in the public hearing, should they so desire to participate. It is unclear from the filings if the intent is for the notice and public hearing to apply only to customer-generators or to all customers of the utility.

Please note that ORS stresses that it is not endorsing the merits of Vote Solar's Motion, but merely desires for all ratepayers to be afforded the notice and access to any public hearing should the Commission grant the Motion.

Sincerely,

s/ Jeffrey M. Nelson
